

Ceremony held to mark completion of new warehouse

2022/4/22

On April 21, 2022, a completion ceremony was held to commemorate the completion of the new warehouse.

The ceremony was attended by guests, contractors, and our employees, who all expressed their gratitude for the successful completion of the construction and prayed for future prosperity.

After the ceremony, a letter of appreciation and commemorative gifts were presented to Matsuigumi Corporation and Daiyu Sekkei Co., Ltd..

The shipping team had been working at a different location since last August due to the demolition of the old warehouse, but they returned to the head office at the same time as the completion of the project, and all employees have been working together at last.

We would like to express our deepest gratitude for your support and patronage, which has enabled us to rebuild the new warehouse in the year of our 27th anniversary, and we are determined to make further efforts with a renewed spirit.

On the occasion of the completion of the new warehouse, we received the gifts of congratulations. We sincerely appreciate it and thank you from the bottom of our hearts. (In no particular order)
