

Announcement: “The Ultimate Aquarium Guide – 3,000 Species” Now Featuring Our Ad!

Packed with over 3,000 species that have appeared in *Monthly Aqua Life* during its 45+ year history, this massive guide brings together fish, plants, shrimp, and more across 14 categories.

It's super practical too — with quick tips for keeping each species healthy at a glance.

Whether you're hunting for “the one” at your local shop or looking for everyday care guidance, this is a must-have book for any aquarist.

Find it at your nearest aquarium shop!
